

# CHOOSE FRESH. CHOOSE LOCAL.

Dear Store Manager,

We are contacting you because we LOVE Trinity Valley Products and we wanted to request that you carry them in this store! My favorite product(s) are: \_\_\_\_\_

The reason their milk products is so unique are because they are never homogenized. This means that the product is more natural and it's easier for my family to digest and we can feel good about! They offer Whole Milk, Cocoa Milk, Buttermilk, 2% Milk, Skim Milk, Half and Half and Heavy Cream. They also offer Seasonal Eggnog and Mint Chocolate Milk during special holiday times!

Additionally, they offer Cheese Curds in 4 amazing flavors; These are the best you'll every taste and I love that they come from a local fourth generation farm right in Cortland, New York.

Please consider carrying this product, as our family loves it. If you're not convinced, then contact Trinity Valley Dairy at [info@trinityvalleydairy.com](mailto:info@trinityvalleydairy.com) to get more information and see if they offer free delivery to this store!

Your loyal customer, \_\_\_\_\_
